Dear Mr Khan,

Assalaam Alaikum wa Rahmatullah wa Barakatuhu.

Thank you for your letter of 29 May.

The situation in which you and your brethren find yourselves is a very sad one and I should like to reassure you that we are very aware of it and are doing all we can to find a solution. We are in touch with the President of Pakistan on the subject and I have myself been recently to Geneva, in the company of a British Member of Parliament, Mr David Ennals, to meet with the United Nations High Commissioner for Refugees to discuss the problem.

We will spare no effort to try to find a satisfactory solution and we hope and pray to Allah for success.

With best wishes,

Yours sincerely,

Salem Azzam
Secretary General
